Nursing Management®

Index 32

Index to Volume 32, Numbers 1-12 (January-December 2001)

This index is arranged in two sections: the Subject section and the Author section. Subject headings are those used in the *Cumulative Index to Nursing and Allied Health Literature* (CINAHL), supplemented by the language style of *Nursing Management*. Some subjects have been combined.

Feature articles are shown in bold type. An abbreviation in parentheses after the title indicates a special series of features or an editorial department (listed below). The month of issue and page number follow.

Abbreviations used in this index are:

AE = AONE editorial
AON = Ask AONE's experts...
AS = AONE special section
CB = Communication briefs
CC = Critical care section
CE = Continuing education
CS = Career scope
ED = Editorial
FIN = Financial management
FF = Facts & figures
FK = Finders, keepers (in *R&R Report*)
GED = Guest editorial
IC = Special report: Infection control
IT = Information technology
JCA = JCAHO solutions
LC = Legal checkpoints
LIF = Lifeline
LQ = Leading questions
LU = Special report: Legal update
MFT = Managers' fast track
NF = Notes from the field
NMC = *Nursing Management* Congress
OR = Operating room section
RQA = Recruitment Q & A
R&R = *Recruitment & Retention Report*
RT = Retention tips (in *R&R Report*)
SB = Sidebar (in Feature)
TP = Tips from your peers
TU = Technology update
